The certificates and plaques can be retained and displayed within the village for as long as they wish.

The Committee reserves the right to withhold any award should the standard of entries not be considered high enough. The decision of the invited Finals Judge shall be adhered to.

2) Outstanding Features Awards

These are open to any village entering the main competition and can be used as an incentive to persuade more villages to enter into the spirit of the Competition.

Please remember that these should only be entered if it is an outstanding feature of your village.

The winners of any of the Outstanding Features will receive a framed certificate they can retain and display for as long as they wish.

The Committee may award a Runner up, Highly Commended or Commended certificate where appropriate.
